MEMBERSHIP OFFICE | 257 Kingsland Rd, London, E2 8AS
MEMBERS AND GUEST POLICY

The King’s Head is a strictly Members only club.

Members are permitted entry at any time of the day and must sign in at reception.

Members are permitted to bring, as standard, up to five guests with them to the club
(On occasion at the managers discretion a member may be able to bring in a reasonable number of guests, however the manager has to authorize this.)

Members can bring extended numbers of guests on occasion where this has been pre-arranged. We must have full names and address of all guests attending at least 24 hours prior to the event date.

Any guest of a member will only be permitted if they arrive with a member or during the course of a member’s presence at the club.

All guests of members should leave the premises if their hosting member leaves the premises.

All guests of members should comprehensively sign in to the guest book held at reception. This will include their full name and contact details. Everyone must have a valid form of photo ID upon entry. (This must be undertaken in a legible fashion in order to allow a follow up to the visit if required)

On an occasion where a member has submitted an extended list, these guests must be present on that list in order to permit entry. Furthermore it is imperative upon arrival each guest is tagged on our entry system as having entered the premises.
The King’s Head was founded in March 2013 as a private members club in the heart of East London, the creative capital of our city.

Concealed beneath the facade of a derelict public house, the King’s Head provides our members a haven away from the hustle and bustle of the city.

Inside guests will find an array of unique spaces. The club is home to a sumptuous lounge bar, decadent restaurant, hidden night club, and a floor of fantastical private rooms.
The Pub

Our cosy and luxurious bar is the ideal place to eat, drink, work and play. Come in for a quick meeting or unwind with a house cocktail or two. Enjoy a few bites from our bar menu or indulge in a full a la carte menu. Our resident DJs will be spinning a few tunes from Thursday to Saturday. To avoid disappointment, please book in advance if you want to guarantee one of our comfy booths.
